SPEED NETWORKING

We are excited to offer a special event to encourage networking with colleagues from across the chapter! Do you want to know if we have members with a niche that interests you? Would you like to connect with colleagues who work with BetterUp or CoachUp?

Professional networking provides the opportunity to create connections and share experiences. We hope that this event will provide members with new connections that will help with professional and personal growth. Like speed dating, we will circulate throughout the night to meet as many colleagues as possible.

Please join us on Wednesday, July 31st at 5:30 PM at the Charleston Library for “**Speed Networking**” a fun, interactive networking event that will keep you moving and shaking as you meet and chat with fellow professional coaches.

We hope you’ll join us on July 31st!

Are You Interested in ICF SNV Board Membership

Do you want to learn more about the ICF Southern Nevada Board and the positions we will elect for 2025? If you have an interest in serving on the Board in 2025 (or even in the future), we encourage you to join us for an information session this summer.

Save the date! On Tuesday, August 20th, 2024, at 5:00 PM, we will host a Zoom call to share information about the Board positions available in this year's election. You will hear from current Board members about the roles and responsibilities of each position and have your questions answered.

After the Interest Meeting, members will have the opportunity to submit nominations for consideration as this year's Board prepares the candidate lists for open Board positions. Elections will take place in October 2024.

Can't make the call on August 20th? Don't worry! We will record the meeting and make it available to members to review during the nomination period.

ICF Southern Nevada Board Structure

ICF-SNV currently has five (5) board positions, President, President Elect, Secretary, Finance Director and Programs Director. Each year, the President Elect automatically transitions into the President role which means the chapter will, annually, elect the remaining, vacating positions. In 2025, we will add a new Board position, Director of Membership, which will be included in this year's elections. This means we will have five Board positions to fill for the 2025 calendar year.

Elections

As defined in our chapter Bylaws, elected members of the Board of Directors serve terms of one (1) year. Each year, a Nominating Committee comprised of three (3) Members appointed by the Chapter's President will identify and create a list of nominees for vacancies on the Board. The Nominating Committee will submit nominees to the Chapter Board for review and approval. The Chapter Board will share the nominees with the voting membership of the Chapter at least thirty days (30) before the election (in-person or electronically). Voting members will have thirty (30) days to submit votes to the Chapter Secretary.

Eligibility

All ICF-SNV members that meet the minimum requirements of membership of the ICF Professional Coaches and are ICF-PC members in good standing are eligible to vote in ICF-SNV elections.
